

National Drug and Alcohol Testing Program

DID YOU KNOW

that government regulations require your Christian school and church bus drivers to be involved in a random drug and alcohol testing program?

DID YOU KNOW

that failure to comply with the regulations can carry a penalty of up to \$1,000 per day?

WHAT CAN YOU DO

to insure that your ministry is protected?

The National Drug and Alcohol Testing Program has joined hands with NTA, Inc., which is a reputable corporation dedicated to the substance abuse and alcohol testing program needs of Christian schools and churches all over America.

NTA, Inc. can provide your ministry with all necessary materials needed for compliance with government regulations through the **National Drug and Alcohol Testing Program.**
